GIS Mapping Shows Polling Places Overlaid With Age of Voters In Those Respective Areas. Many Polling Sites Are Located in Areas With High Concentration of Adults At-Risk of COVID-19

Polling
Sites

"The emergency conditions created by COVID-19, as well as the efforts necessary to contain its spread, will affect all 2,988,813 of Louisiana's registered voters as well as the 3,934 precincts located at 2,058 polling places across the State."

Eligibility Requirements for Absentee Voting:

- Those At higher risk because of serious medical conditions,
- Those subject to a "medically necessary quarantine or isolation order,"
- Those advised by a health provider to self-quarantine,
- People experiencing symptoms of COVID-19 and seeking a medical diagnosis, or
- People caring for someone who is subject to a quarantine order and has been advised to self-quarantine.
- Some of our most vulnerable residents age 55-64 do not qualify for absentee voting.
